

Oroville Dam
CCST Update
February 16, 2017

Oroville Dam – Feb 2017

Service Spillway Damage

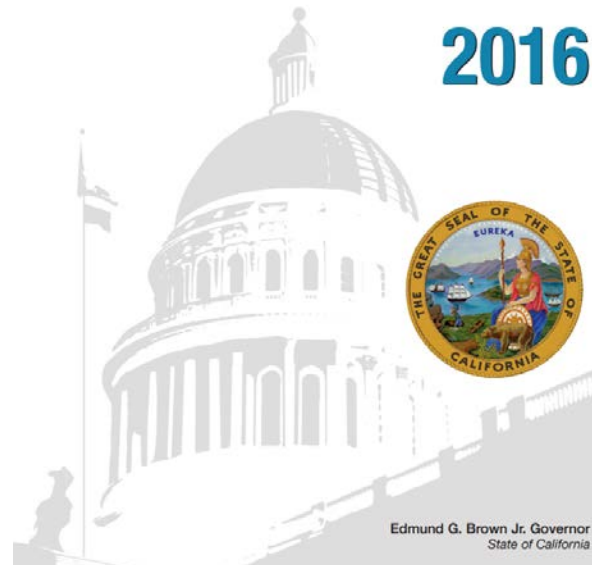

Emergency Spillway Erosion

How Can CCST Engage?

- CCST can engage stakeholders in a review of the incident leading to recommendations for managing all of California's Infrastructure, not just dams.

California Five-Year
Infrastructure Plan
2016

*\$100B for 51
projects!*
