

TRAINING TOMORROW'S CYBERSECURITY WORKFORCE

Toward a Disaster Resilient California | A Virtual CCST Expert Briefing

Wed. 3/29

1 PM

PT, 1 hr, Zoom

Moderated by

John Hanafee
California Dept. of Technology

Advisory Services Program Chief,
California Information Security Office

The cybersecurity workforce is facing a shortage of trained professionals as we become more computer, data-driven, and network-based society. How can we prepare California's workforce for the cybersecurity and IT labor market needs of the future?

Held in partnership with:

Office of Assemblymember Carlos Villapudua
Chair, Committee on Jobs, Economic Development,
and the Economy

Panelists:

Kayvan Chinichian
Calif. Cybersecurity Inst., Cal Poly
Senior Director of Development

Tony Coulson PhD
CSU San Bernardino
Professor

Markus Geissler PhD
Cosumnes River College
Professor, Computer Information Science

Donna Woods
Moreno Valley Unified School District
Instructor, Cyber Academic Pathway

Making California's policies stronger with
science and technology since 1988.
