

2004 California Nanotechnology Policy Briefing

Applications, Implications and Recommendations

January 20, 2004 from 12:30 p.m. to 4:30 p.m.
Room 2040 – SUBJECT TO CHANGE, please call to confirm
The Capitol, Sacramento, CA

Agenda

- 12:30 - 1:00 p.m. sign-in
- 1:00 - 1:55 p.m. *Opening* - Sen. John Vasconcellos
Presentation – Brief presentation on the “whiz-bang” future of nano by Meyya Meyyappan (NASA Ames). Findings from CCST report, “Nanoscience and Nanotechnology: Opportunities and Challenges in California” - Susan Hackwood (California Council on Science and Technology).
Discussion - moderated by John Vasconcellos
- 1:55 – 2:00 p.m. break & panel switch
- 2:00 - 2:55 p.m. *Economy/Markets* – Assm. Dave Cogdill, moderator
Panel Presentations - Victor Hwang (LARTA), Sean Randolph (BASIC/BAEF), Daryl Hatano (SIA), Michael Darby (UCLA), Joe Stetter (ITT/ACS)
Discussion
- 2:55 - 3:00 p.m. break & panel switch
- 3:00 - 3:40 p.m. *Environment/Ethics/Social/Legal Issues* – Assm. Hannah-Beth Jackson, moderator
Panel Presentations - Robert Haddon (UCR), Christine Peterson (Foresight Institute), John Miller (author: Nanotech Law and Policy/Managing Editor, *Nanotechnology Law and Business*), Anthony Waitz (QuantumInsight)
Discussion
- 3:40 – 3:45 p.m. break & panel switch
- 3:45 – 4:20 p.m. *Governance* – Sen. Debra Bowen, moderator
Panel Presentations - Stan Williams (HP), Derrick Boston,(California NanoSystems Institute), Eric Werwa (Rep. Mike Honda), Cecilia H. von Beroldingen (CA DoJ)
Discussion
- 4:20 – 4:30 p.m. *Closing* – Assm. Sarah Reyes
